About This Game

Alice belongs to two worlds, the real one where she's following her dream to become the head of a company, and the storybook realm of Taleworld where she was born. These two worlds collide when her owl friend Gears returns with an urgent message. Her father has been arrested by the Queen of Hearts and will be executed for treason! Alice must use her unique mirror powers to travel between the real world and Taleworld to make her way to the Queen's castle. Alice's mother is leading the resistance, but will they be strong enough to defeat the Queen?

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Travel between the real world and Taleworld
- Save Pierre and Belle from Mallek's evil schemes!
- Find the Edelweiss flower in the bonus game
- Unlock special wallpapers earned as you play
- Find a hidden collectible in every scene to unlock bonus content!
