About This Game

vaults and hidden rooms. Solve elaborate puzzles, uncover lost treasures, and unravel a mystery bridging the scientific and the arcane.

Alone on a remote island stands a weathered castle. For years it has lain dormant yet still the townspeople recall old stories of restless dreams, violent storms, and the eerie glow of ghostly lights dancing in the mist. Recently, a mysterious signal has begun broadcasting from within the abandoned halls. Something inside the castle has awoken, now someone needs to venture inside to discover the truth.

Key Features

- **Countless Secrets to Discover**

Weave your way through a complex web of puzzles to unlock the castle's ultimate truth or choose your own path: search for secret vaults and hidden passageways, hunt down lost treasures, and discover the history of the castle and its former occupants.

- **Immersive Environments and Organic Storytelling**

Take in The Eyes of Ara's award-winning 3D environments as you explore its richly detailed world. Delve into an intriguing tale set within a richly detailed, immersive environment. Explore abandoned rooms, discover lost writings, and recover forgotten keepsakes to piece together the stories of those who once called the castle home.

- **Tactile Gameplay**

Manipulate complex mechanisms, solve elaborate puzzles, and interact directly with the environment in a tactile, hands-on experience.

- **Minimalist Interface**

Investigate the castle's secrets through a sleek, minimalist interface that with a click, can be hidden entirely off-screen.

The Eyes of Ara is a game about exploration, puzzle solving, and discovery. Will you pay heed to the unsettling tales and legends surrounding the castle, or will you set fear aside and venture in with an open and inquisitive mind to uncover the truth for yourself?
