The font download page for flama is: http://www.topfreefonts.org/en/fonts/flama TypeName: Flama Condensed Creator: Winfried Burde (2010) Description: A sleek and modern sans serif, with a condensed design that is perfect for titles and short passages of text. This typeface is designed to be used as a headline font, but can also be used as a body typeface in medium to larger point sizes. The compact nature of Flama Condensed also makes it ideal for use on smaller screens such as on newer smart phones and e-readers. It is available in one weight, regular, with a full character set including small caps. All glyphs are hand crafted, and some characters have alternate forms to allow for better spacing.
